Campus Delay and Closure Protocols

To ensure student safety and maximize instructional time, Middle College High School adheres to the following weather-related protocols regarding campus delays and closures.

For Two-Hour Delays:

In the event that school is delayed by two hours ...

For all classes that meet at 8:00 am, check your student (UNM) emails for instructions from your teacher. Scheduled assignments will be due by 2:30 in order to avoid being marked absent.

Classes that are normally scheduled to meet at 9:30 will meet in person at 10:00 instead.

All other classes will meet at their regularly scheduled times.

For Campus Closures (Snow Days, etc.):

In the event of a campus closure, check your student (UNM) emails for a link to join each of your MCHS classes online at their regularly scheduled meeting times.
